

TRIMBLE BD970, BD982, BX982 UPDATE

PRODUCT END OF LIFE / END OF MANUFACTURING ANNOUNCEMENT

Date: November 11th, 2022

Trimble is issuing this product bulletin to inform our customers that the BD970, BD982, BX982 GNSS products are now in the end of life phase. Trimble strongly discourages development of any new projects using these products. Planned product end of life activities for the BD970, BD982, BX982 are, as follows:

- Trimble encourages final orders to be placed by June 30th, 2023*.
- Trimble will discontinue shipping the BD970, BD982, BX982 products as of December 31st, 2023, unless a different time period for last time buys is set forth in a customer's written agreement with Trimble.
- Trimble cannot guarantee product supply; orders can only be fulfilled while supplies last. All purchases are non-cancelable and non-refundable, and are subject to acceptance by Trimble.
- Customers looking for alternative offerings should contact their sales representative to discuss their best options, which may include:
 - Trimble BD970 - Replaced by Trimble BD990
 - Trimble BD982 - Replaced by Trimble BD992
 - Trimble BX982 - Replaced by Trimble BX992

***Note: Orders for Trimble BD970 receivers can no longer be placed within the European Union.**

This end of life notice applies to all BD970, BD982, BX982 numbers, including the part numbers on the following pages:
